Subject RE: EPA grant for the Village of Laurelville, Ohio

Hi Warren,
I did leave a message for Jean West - but am concerned because this grant expires 12/31/2004. There is still a balance of \$124,594.94 remaining on the grant. Do you know if an extension has been requested?
Thanks for your help.

Hello Melody,

Forgive my late response. I have been out of town on vacation.

Jean West's telephone number is 740-332-3341. She is sometimes tough to reach because her husband is ill. If you need any further assistance feel free to contact me.

Thanks!

Warren

EPA grant for the Village of
Laurelville, Ohio

Hi Mr. White,
I have taken over the above grant from my associate, Lula Spruill. Lula spoke with a congressman's office (not sure which one) regarding a date extension on this particular grant. She has the name of a Jean West. Would you happen to have a number for Ms. West - or know a person I could contact regarding this?
Thanks for your help!
